- Connection & Collaboration
- Prevention
- Evidence-Based Practices & Solutions
- Youth Voices
- Inclusivity

### **WE BELIEVE**

- Community partnerships are essential to inspire and create sustainable change.
- Strong infrastructure should be built to protect our youth and ensure they have the opportunity to live meaningful, active lives.
- Everyone deserves to receive help and support without stigma.
- Every child has a voice and deserves to be recognized and heard.
- Youth are leaders in the community and should be actively engaged in decision-making.
- Every child should know they are valued and supported.
- Business interests should balance with public health.
- Resources should exist to ensure our kids have everything they need.

### **Agenda:**

- Moment of Gathering-To be determined
- Discuss Committee tasks and goals
- Committee Chairs
- Youth updates
- Q & A and announcements
- Final thoughts
