# And the Beat Goes On . . .

Yes, the beat does go on, and Slaton High is certainly no different from any other school in this respect. From the beginning of school to the end, students are engaged in a whirlwind of activities including football and basketball games, assemblies, and the events of the every-day round of classes.

Eager World History students begin their first year in high school.

Like father, like daughter.

Just one of the many animal visitors to the school this year.

Kids have fun at the annual-signing party the first day of school.

Coach Gerber helps the Student Council by buying a football tag.

Familiar signs of spirit around S. H. S.

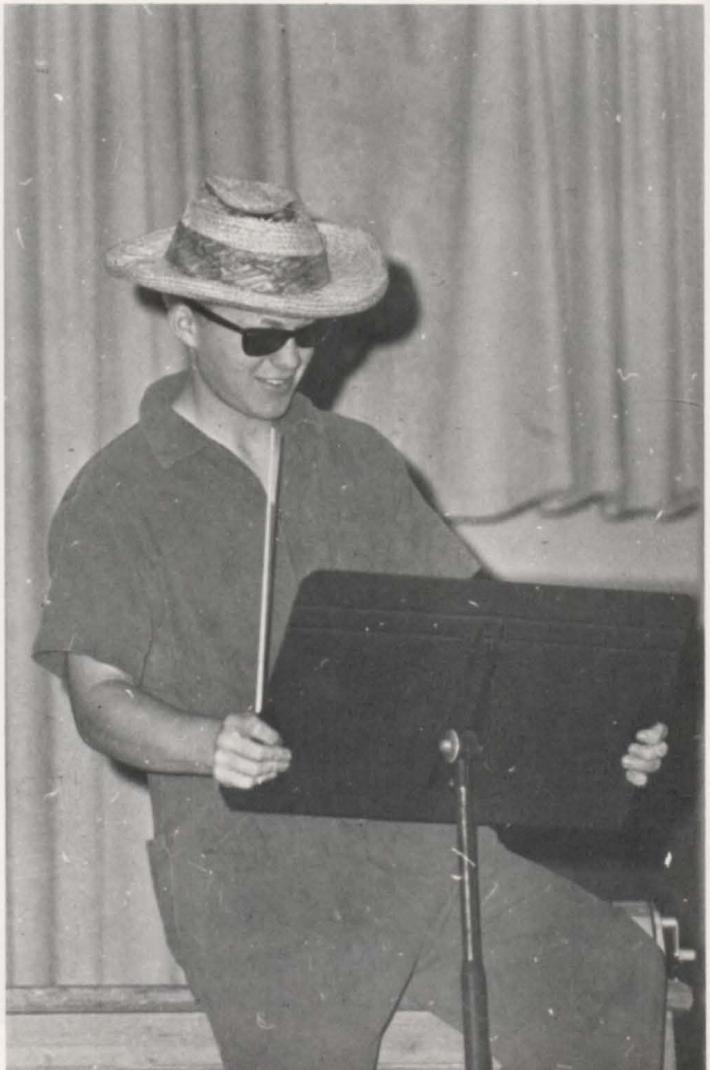

# And On . . .

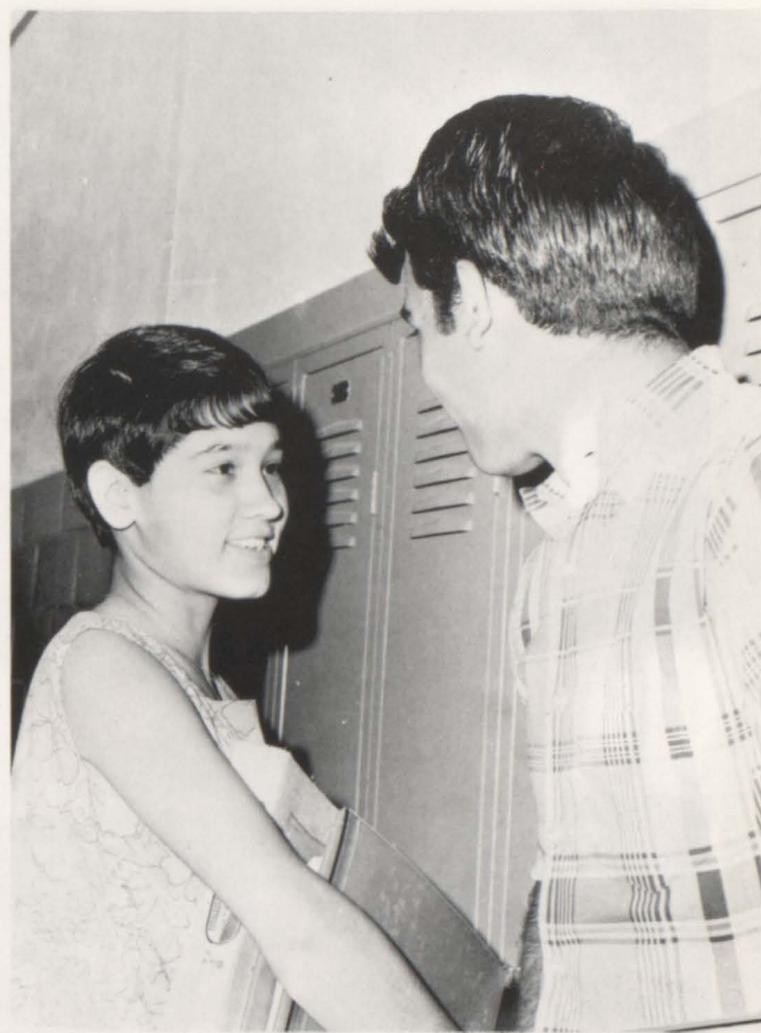

Tigerette cheerleaders lead the girls on to victory in the Slaton Tourney.

Little Mike recites "The Night Before Christmas" in the DECA assembly.

Mike portrays Mr. Townsend in a students-as-teachers assembly.

Seniors measure for caps and gowns.

Susan Green receives candy and flowers from KCAS for the best valentine card.

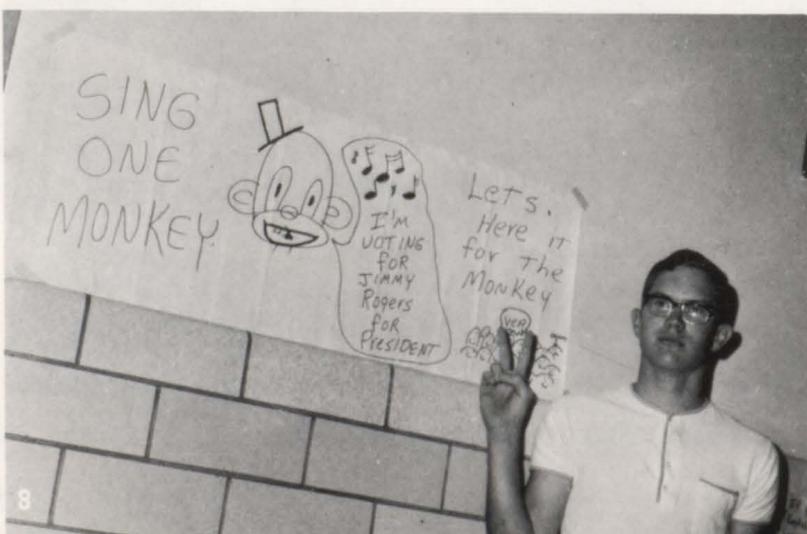

"We love you, Mrs. Johnson!"

Jane and Betty learn to work with clay in Art.

"A Tiger in your tank."

Disgusted!

Clifford supports his favorite candidate for President in the Student Council elections.

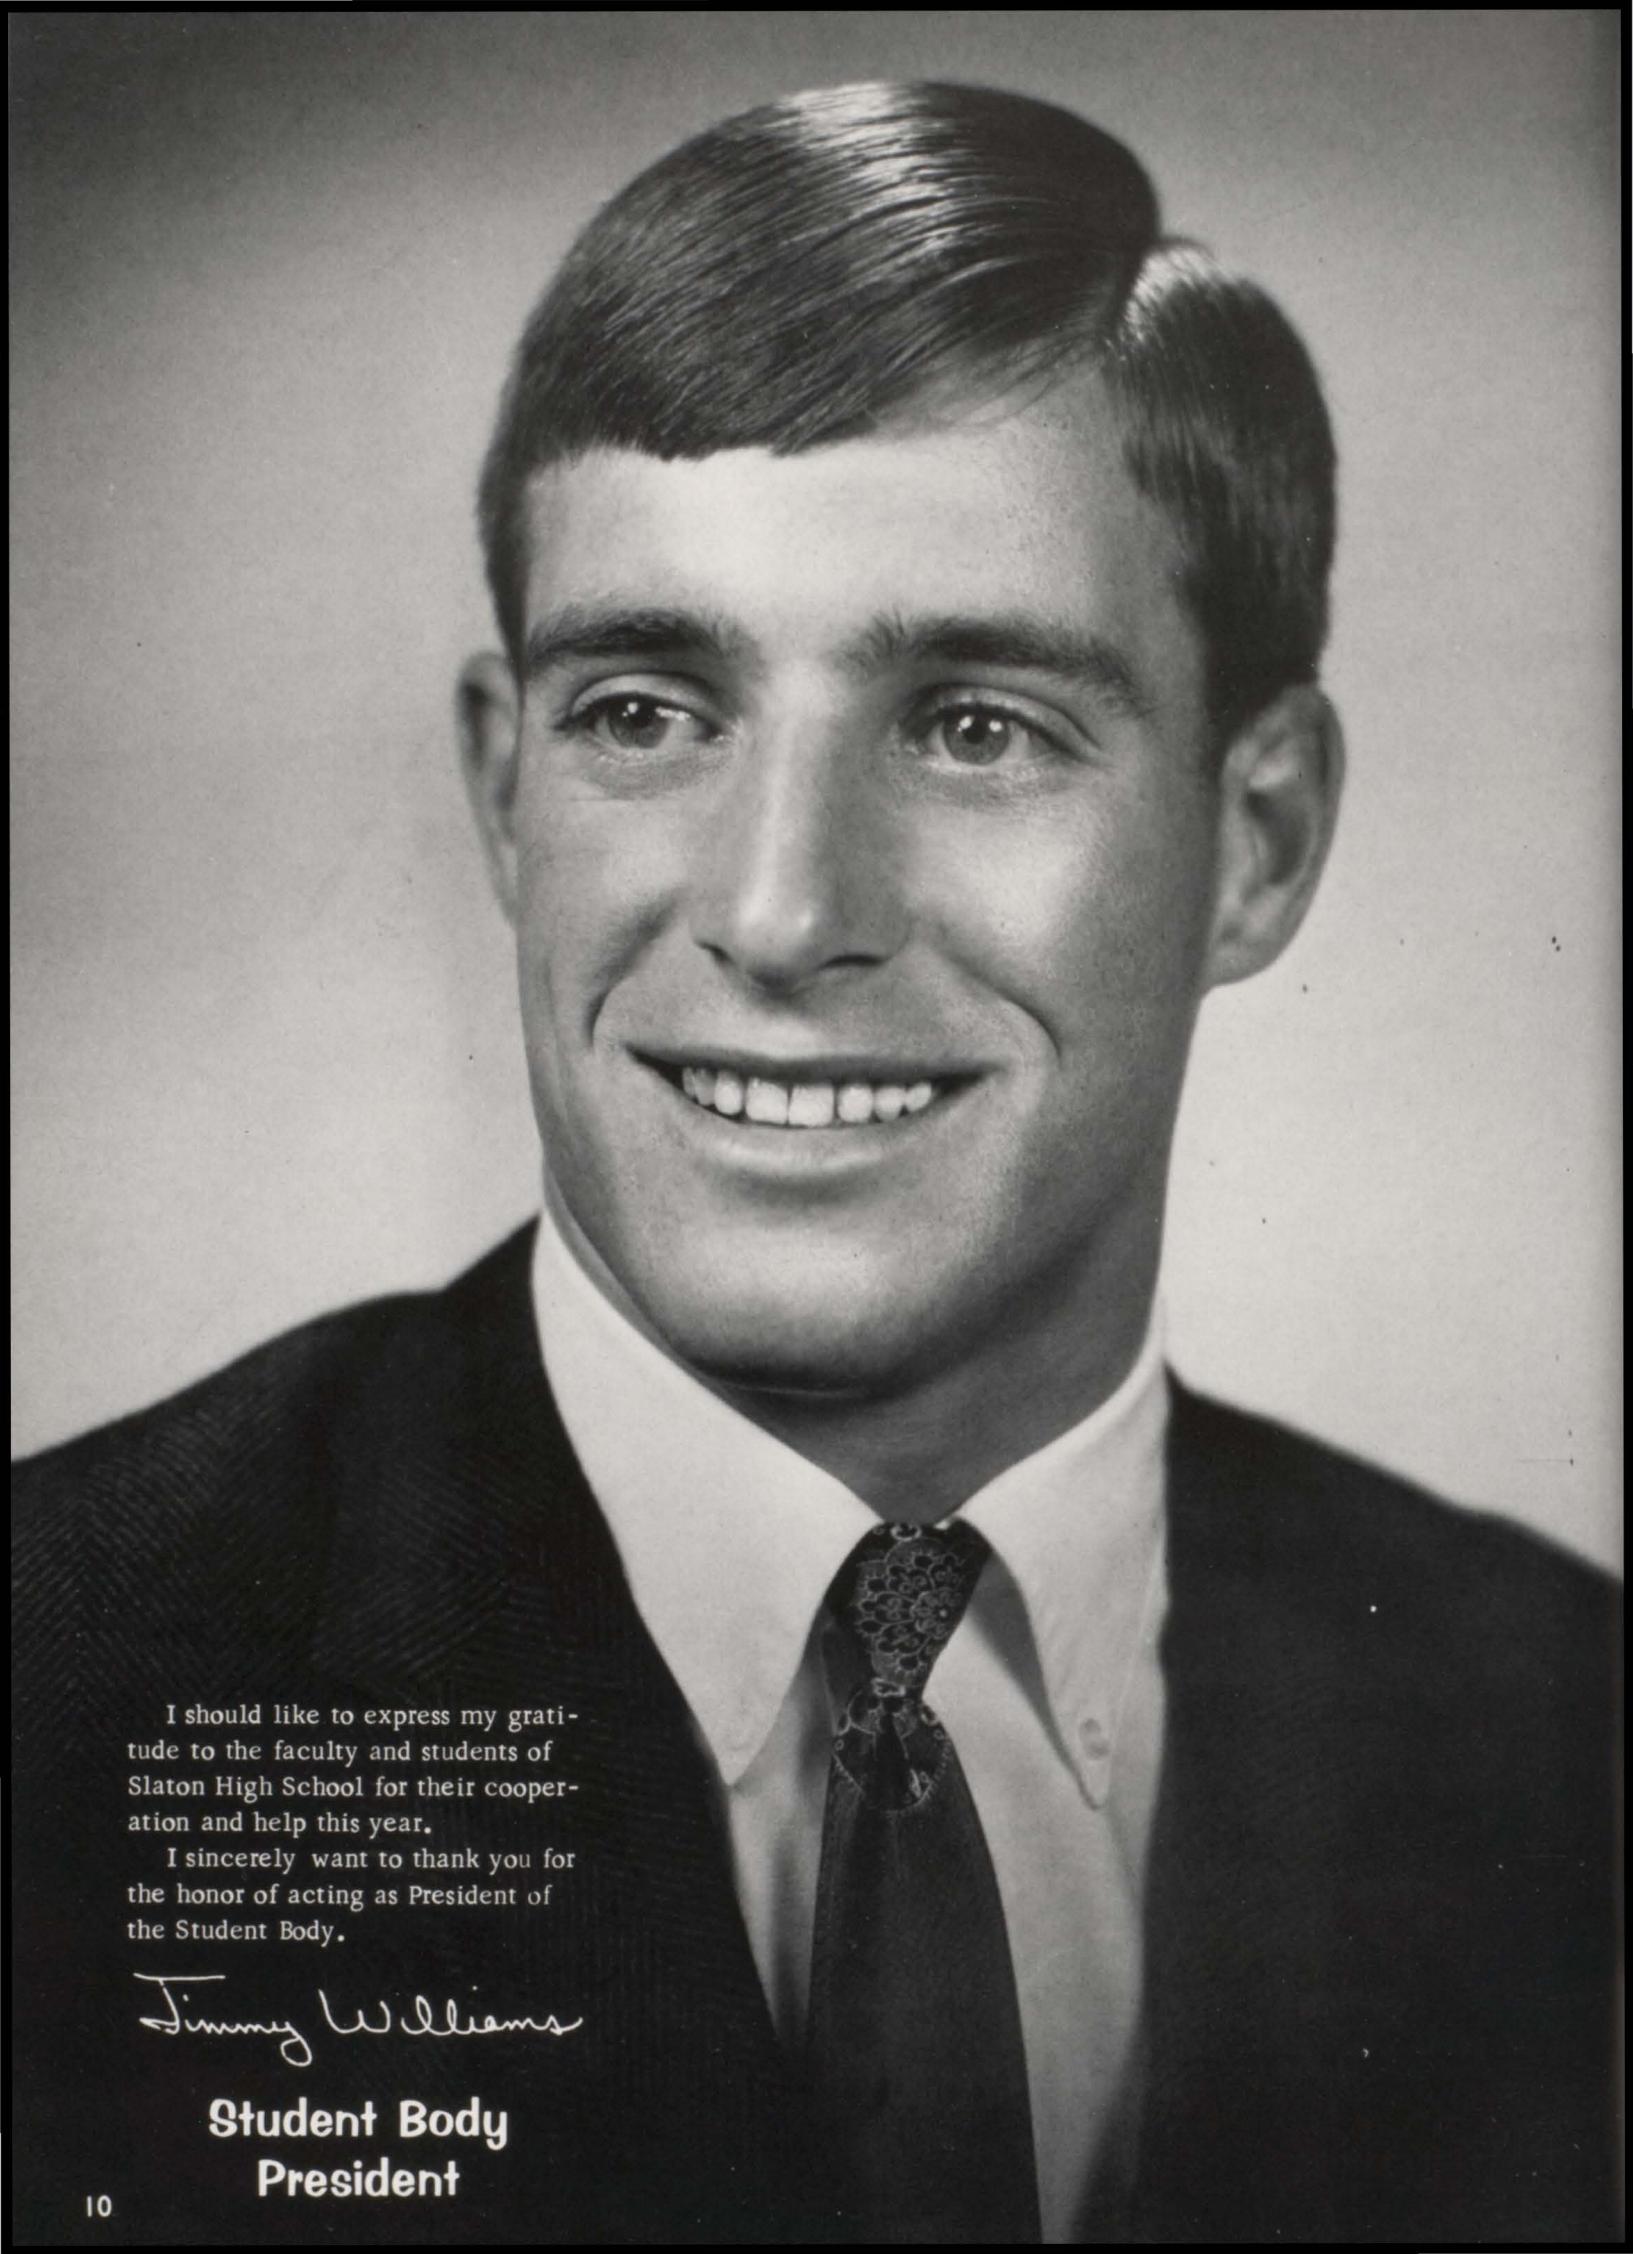

Seniors cherish the victory bell and its many unforgettable memories.

Three familiar end-of-school scenes.

At last, the end of school! Each and every student is now filled with joy that the year has finally come to an end. Yet, they are looking forward to future years in high school, in college, or at work. Although each year, Slaton High loses its seniors, they are soon replaced by another group, and the beat of school activities still goes on.

**And On.**

I should like to express my gratitude to the faculty and students of Slaton High School for their cooperation and help this year.

I sincerely want to thank you for the honor of acting as President of the Student Body.

*Jimmy Williams*

## ADMINISTRATION

# Dr. Vardy Directs Slaton Schools

Dr. P. L. Vardy, superintendent of the Slaton Schools, has worked diligently twenty-two years for the betterment of our schools. He is considered one of the top administrators in this area. He has participated actively in educational, civic, and religious affairs. For many years he has taught a Sunday School class in the Methodist Church. Dr. Vardy has the unique distinction of twice being selected Slaton's "Man of the Year." This recognition was given for outstanding service in both his vocation and avocation.

# Our Principal M. W. Kerr

We at Slaton High School would certainly be at a loss without our untiring principal, M. W. Kerr. Coach Kerr, as he is called by all of us students, has great pride in our school and that pride has rubbed off on the students of S. H. S. He has spent many long hours preparing the schedule of classes, listening to excuses, and keeping everything in general in smooth working order. Besides his many other duties as principal, he also sponsors the Student Council, and teaches Driver Education. Each year, Coach Kerr has strived to make our high school better and better.

## Western Day Sets the Pace

Western Day was a big success this year with the Freshman class winning first place with its float, "Fish Western Style." Floyd Kitten and Marsha Bednarz, freshmen, reigned as king and queen after the class's float was judged the best in the parade. Johnny Petty and Connie Bailey were selected by the S. H. S. student body as the best dressed.

Leading the Western Day Parade was the high school band, dressed in western garb. The sophomore class's float, with the theme "War or Peace?", was judged second in the float contest. "The Wild West Show" float, built by the junior class, placed third.

The "Passers-by" from McMurray entertained the students at a morning assembly. The "Soul-Agents" played at an afternoon assembly and also for the Western Day Dance.

Sponsored by the Tiger Club, a dunking board activity was "indulged in" by students, and faculty alike.

Membership in the National Honor Society has become recognized nationally as one of the highest honors that can be bestowed upon a high school student. Membership is, however, more than an honor; it carries with it a responsibility and should be considered the beginning of an obligation, not merely the successful combination of an effort to achieve recognition and honor.

Once selected for membership, a student is singled out. He should not only continue to demonstrate those outstanding qualities which brought about his selection, but he should also exert a new influence to improve conditions about him and promote those qualities, Leadership, Character, Scholarship, and Service, for which the National Honor Society stands.
