WHEREAS, the City Council finds after review that the revised service plan and assessment plan are feasible and sound and will serve the needs and desires of the property owners and that the assessment rate of \$0.15 per \$100.00 valuation for tax years 2024 through 2028, as determined by the Lubbock Central Appraisal District, of the property or improvements to the property located in the District; are reasonable and adequate.

NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LUBBOCK:

SECTION 1: THAT the facts and recitations contained in the preamble of this ordinance are hereby found and declared to be true and correct.

SECTION 2: THAT the City Council, after review of the Plan, approves the method of assessing special benefits of services and improvements in the Plan. Terms relating to property taxes in this ordinance shall be used as defined in Section 1.04 of the Texas Property Tax Code. In accordance with the Plan, each property owner in the District identified for assessments in 2024 receives the same amount of service for the assessment provided. The proposed method of assessment, which specifies included or excluded classes of assessable property, is based on the net taxable value of the real property and real property improvements as determined by the Lubbock Central Appraisal District in accordance with Chapter 25 of the Texas Property Tax Code. Public rights-of-way are exempt from assessment.

SECTION 3: THAT the City Council hereby approves, adopts, and files with the City Secretary, the Roll. The Roll states an estimate of the assessment against each parcel of land in the District, as determined by the method of assessment set forth in the Plan and this Ordinance. The City Secretary shall file the Roll in the official City Records. The Roll shall be subject to public inspection.

SECTION 4: THAT the City Council finds that the notice of the City Council's intention to consider the proposed assessments at a public hearing on August 27, 2024 at 2:00 p.m. in the City Council Chamber, 1314 Avenue K, Lubbock, Texas was published in the official newspaper of the City of Lubbock, Texas before the 10th day before the date of the hearing. The notice stated: (1) the date, time and place of the hearing; (2) the general nature of the services and improvements; (3) the cost of the services and improvements; (4) the boundaries of the District; and (5) that written or oral objections will be considered at the hearing.

SECTION 5: THAT the City Council finds that City of Lubbock staff mailed to the owners of property liable for assessment, the notice of the hearing as the ownership appears on the City tax roll. The notice contained the information required by the Act.

The notice was mailed before the 10th day before the date of the hearing to the last known address of the property owner on the City tax roll. The failure of the property owner to receive notice does not invalidate the proceeding.

SECTION 6: THAT the City Council finds that the assessments should be made and levied against the respective parcels of property within the District and against the owners thereof, and are substantially in proportion to the benefits to the respective parcels of property by means of the services and improvements in the District for which such assessments are levied. The City Council finds that in each case the property assessed is specially benefited by means of the said services and improvements of the District. The City Council further finds that the apportionment of costs of the services and improvements is in accordance with the law in force in this City and the State. The City Council finds that the proceedings that the City has had with reference to the formation of the District and the imposition of assessments for said services and improvements are in all respects valid and regular.

SECTION 7: THAT there is hereby levied and assessed against the parcels of property within the District, and against the real and true owners thereof (whether such owners be correctly named or not), the sums of money calculated by applying the assessment rate to the final 2024 City net taxable value in the manner described in the assessment attached hereto and incorporated herein as “Exhibits B” and “C” shown opposite the description of the respective parcels of property, and the several amounts assessed against the same, and the owners thereof.

SECTION 8: THAT the several sums above mentioned and assessed against the said parcels of property and the owners thereof, and interest thereon at the rate per annum established herein, together with reasonable attorney’s fees and costs of collection, if incurred, are hereby declared to be and are made a first and prior lien against the property assessed, superior to all other liens and claims except liens and claims for ad valorem taxes and is a personal liability of and charge against the owners of the property regardless of whether the owners are named; and, with such lien being attached on January 1 of each year to the property to secure the payment of all assessments, penalties, and interest ultimately imposed for the year on the property, whether or not the assessments are imposed in the year the lien attaches and shall be effective until the assessment is paid; and, with such lien being perfected on attachment requiring no further action by the Council.

SECTION 9: THAT the assessments levied herein shall be due and payable in full on receipt of the assessment bill and are delinquent if not paid by January 31, 2025 except as provided in Sections 31.02(b), 31.03, and 31.04 of the Texas Property Tax Code. A delinquent assessment incurs a penalty of six percent (6%) of the amount of the assessment for the first (1st) calendar month it is delinquent plus one percent (1%) for each additional month or portion of a month the assessment remains unpaid prior to July 1 of the year in which it becomes delinquent. However, an assessment delinquent on July 1 incurs a total penalty of twelve percent (12%) of the amount of the delinquent assessment without regard to the number of months the assessment has been delinquent. A delinquent assessment

continues to incur the penalty provided by this Section as long as the assessment remains unpaid, regardless of whether a judgment for the delinquent assessment has been rendered. That if default be made in the payment of any of the said sums hereby assessed against said property owners and their property, collection thereof, including costs and attorney's fees, shall be enforced by the governing body in the same manner that an ad valorem tax lien against real property may be enforced by the governing body under Chapters 31, 32 and 33 of the Texas Property Tax Code. The owner of the assessed property may pay at any time the entire assessment on any lot or parcel, along with any interest and penalty that has accrued on the assessment.

SECTION 10: THAT all assessments herein levied are a personal liability and charge against the real and true owners of the premises described, notwithstanding such owners may not be named, or may be incorrectly named.

Section 11: THAT the assessments herein levied are made and levied under and by virtue of the terms powers and provisions of the Public Improvement District Assessment Act, Chapter 372 of the Texas Local Government Code, as amended.

Section 12: THAT the City may contract with the Lubbock Central Appraisal District or any competent attorney to collect the assessments and to represent the District to enforce the collection of delinquent assessments. The attorney's compensation shall be set in the contract, but the total amount of compensation provided may not exceed twenty percent (20%) of the amount of delinquent assessment, penalty, and interest collected, as required in Section 6.03 of the Texas Property Tax Code.

AND IT IS SO ORDERED.

Passed by the City Council on first reading on August 27, 2024.

Re: Upland Crossing Public Improvement District Petition

Recently, the City of Lubbock received petitions from Property Owners requesting the City of Lubbock establish a Public Improvement District (PID) for the proposed Upland Crossing development shown on the attached map. PID establishment can only be initiated by a petition of property owners who meet two tests outlined in the state statute.

The first test is that the petition is sufficient if signed by the owners of taxable real property representing more than 50% of the appraised value of the taxable real property liable for assessment by the current roll of the appraisal district (August 14, 2019). Since the petitioners, Storehouse Land Company LLC and Betenbough Homes LLC, own 100% percent of the taxable real property value within the boundary, the petition passes the value test.

The second test is that the petition must be signed by the record owners of property that constitute more than 50% of the number of record owners or the record owners of more than 50% of the area within the PID. The petitioners own 100% percent of the total area within the proposed Upland Crossing PID area so they pass the area test.

The notarized signature on the Upland Crossing petitions were validated by a visual review and owners on the petitions were verified against the current tax roll received from Lubbock Central Appraisal District by the Financial Planning and Analysis Department and reviewed by Sally Abbe, Director of GIS and Data Services.

**PETITION FOR THE CREATION OF A PUBLIC IMPROVEMENT DISTRICT TO FINANCE
IMPROVEMENTS TO UPLAND CROSSING**

**THE STATE OF TEXAS §
 §
CITY OF LUBBOCK §**

TO: THE HONORABLE MAYOR AND CITY COUNCIL OF THE CITY OF LUBBOCK:

The undersigned petitioners (the "Petitioners"), acting pursuant to the provisions of Chapter 372, Texas Local Government Code, as amended (the "Act"), request that the City of Lubbock create a public improvement district (the "District") in the territory described in Exhibit A attached hereto (the "Land") within the City of Lubbock, Texas (the "City"), and in support of this petition the Petitioners would present the following:

Section 1. Standing of Petitioners. Petitioners affirm that they are the record owners as shown in exhibit "B". In compliance with the requirements of Texas Local Government Code, Section 372.005(b), as determined by the current roll of the Lubbock Central Appraisal District, the Petitioners constitute: (i) the owners of taxable real property representing more than 50% of the appraised value of real property liable for assessment under the proposal described herein, and (ii) the record owners of taxable real property that constitutes more than 50% of the area of all taxable real property that is liable for assessment under such proposal.

Section 2. General nature of the proposed public improvements. The general nature of the proposed public improvements is: (i) acquisition, construction, or drainage facilities or improvements, (ii) the design, construction and maintenance of parks and green spaces, fences, ponds, together with any ancillary structures, features or amenities such as playgrounds, splash pads, pool(s), athletic facilities, pavilions, community facilities, irrigation, walkways, lighting, benches, trash receptacles, community signage and any similar items located there in along with all necessary grading, drainage, and similar infrastructure involved in the construction of such parks and greens; landscaping, hardscaping and irrigation; and (ii) payment of costs associated with developing and financing the public improvements listed in subdivision (i) including costs of establishing, administering and operating the District.

Section 3. Estimated cost of the proposed public improvements and annual maintenance: \$700,000 estimated for proposed public improvements as mentioned in section 2. Annual maintenance costs - \$75,000 for proposed improvements made by developer (Betenbough Homes, LLC).

Section 4. Boundaries. The proposed boundaries of the District are described in Exhibit "C".

Section 5. Method of assessment. An assessment methodology has been prepared that will address (i) how the costs of the public improvements paid for with the assessments are assessed against the property in the District, (ii) the assessments to be collected each year, and (iii) reduction of the assessments for costs savings (pursuant to the annual review of the service plan for the District). Additionally, a report will be prepared showing the special benefits

Exhibit 1

accruing to property in the District and how the costs of the public improvements are assessed to property on the basis of the special benefits. The result will be that equal shares of the costs will be imposed on property similarly benefited.

In assessing the maintenance of the public improvements, property will be classified based on the net taxable value of the property.

The assessment methodology will result in each parcel paying its fair share of the costs of maintaining the public improvements based on the special benefits received by the property from the public improvements and property equally situated paying equal shares of the costs of the public improvements.

The annual budget is subject to review by City of Lubbock staff and final approval by the City Council. The annual assessments may be adjusted as a result of the City of Lubbock staff review and City Council approval.

Section 6. Apportionment of Cost between the City and the District. The City will not be obligated to provide any funds to finance the proposed public improvements or maintain the public improvements. All of the costs of the proposed public improvements will be paid by assessments of the property within the District and from other sources of funds, if any, available to the developer of the Land.

Section 7. Management of the District. The City will manage the District, or a partnership between the municipality or county and the private sector, to the extent allowed by law, the City may contract with either a non-profit, or a for-profit organization, including a Public Facilities Corporation created by the City pursuant to Chapter 303, Texas Local Government Code, to carry out all or a part of the responsibilities of managing the District, including the day-to-day management and administration of the District.

Section 8. Advisory board. An advisory board may be established to develop and recommend an improvement plan to the City Council of the City (the "City Council").

The signers of this petition request the establishment of the District and this petition will be filed with the City Secretary in support of the creation of the District by the City Council as herein provided.

RE: Upland Crossing, Public Improvement District

Dear Honorable Mayor and City Council;

Upland Crossing is a residential development within the city limits of the City of Lubbock bound on the West by Yuma Ave, the East by Upland Ave, the North by 26th St, and the South by 34th Street. We are proposing to create a Public Improvement District, "PID", to maintain the public Improvements for Upland Crossing

In order to comply with the "Public Improvements District Policies and Guidelines", we are providing information as required in Section III. "Guidelines", b. "Petition Requirements". We are providing information regarding items 1, 5-16, as follow:

1. Betenbough has purchased 212 acres. Betenbough plans to invest approximately \$700,000 in improvements for this park system before it would be deeded over to the City and the PID. This would include items such as: playscapes, benches, walking trails, landscaping, etc. (subject to change) We will be here to help keep the PID healthy and thriving. We have a heavily vested interest in making this PID healthy and self-sufficient.

5. If there is sufficient support to petition for dissolving the Public Improvement District certain requirements in addition to sufficient support must be met in order to dissolve the PID. Those requirements include arrangements to transfer ownership and maintenance of the City owned and PID maintained property. These arrangements are to be made by the Advisory Board and with funds available to the Advisory Board. Betenbough will have been responsible for some maintenance before the park system would be deeded over. With having supported some maintenance, we feel we will have an accurate representation of cost to propose for the service plan. So far, all of our proposed service plans, does get reviewed by city staff, and approved by city council.

- 6. Map of the area is attached to this email and is to be added to the petition.**
- 7. In regard to the procedure for the nomination of the PID Advisory Board, the process shall be consistent with the bylaws for Public Improvement Districts for the City of Lubbock.**
- 8. Addressed in Section 2 of the petition. We feel that the "park system" creates a quality of life for the homeowners. Each park will be uniquely different and interconnected through city ROW.**
- 9. Each parcel of City-owned land will be identified as a "Tract" at time of platting.**
- 10. General description of proposed improvements in Section 2 of the petition.**
- 11. The estimated total cost of the improvements is approximately \$700,000 and will be paid and constructed by the developer, Bettenbough Homes, with no desire for any reimbursement. The estimated cost of the maintenance is approximately \$75,000 per year and is to be paid for by the PID as soon as the funds are available. This is the estimated cost for the entirety of the "park system".**
- 12. Budget is attached in the service plan.**
- 13. Method of assessment will be based on the net taxable value of the affected properties and will be assessed at \$.15 per \$100.00 valuation.**
