*Message from* Mayor Dan Pope

Summer is here, and it is that time of year to relax, take time off and make family memories together.

This year's Summer Leisure Guide is the largest the City of Lubbock has ever published, and it is filled with an excellent variety of activities, special events, and opportunities for families, fitness enthusiasts, and every Lubbock resident from toddler to older adults.

Featured here are a number of annual events including Fitness in the Plaza, Summer Showcase, Movies in the Park, and Sunday Concerts in Wagner Park. We have Summer Youth Camps, City pools, Athletic Leagues, as well as classes, activities, and events at our Libraries, Community and Adult Activity Centers and Museums. Park amenities such as walking tracks, dog parks, playgrounds, athletic courts, and picnic areas are all highlighted for you in this guide and can also be found in the new Interactive Park map located on Parks and Recreation's homepage.

Summer is a great time to be outside and I encourage you to take advantage of the opportunities, activities, and events the City of Lubbock offers. Lubbock is a fantastic place, and there has never been more to do in our city.

Best wishes, and I hope that you have a memorable summer with your family and friends.

*It's a great day in Lubbock, Texas.*

## LUBBOCK ANIMAL SERVICES ADOPTION PROGRAM

At Lubbock Animal Services (LAS), it is our wish that every companion animal be placed in a loving, caring home. LAS works hard to ensure that an appropriate match is made to ensure an animal meets its new family's lifestyle. As part of our adoption program, we require a potential owner to complete an adoption application and interview with our adoption counselor. During the interview, potential owners are educated on the proper care of the new pet, common problems that may arise, and what responsibilities they have as a pet owner. The cost of adopting an animal is \$30 and includes age appropriate shots (FVRCP for cats, parvo, distemper, bordatella for dogs), as well as rabies vaccination and licensing. Also included in the cost is the implantation of a microchip and the spay/neuter of the animal (covers all cost for most local veterinarians). Staff and volunteers of the City of Lubbock Animal Services offer off-site adoptions of dogs and cats at various locations including PetsPlus once a month. Volunteer Orientation is held on the 1st and 3rd Tuesday of every month for those interested.

**SPAY/NEUTER VOUCHERS** You love your pet and so do we! Did you know the City of Lubbock Animal Services has a program to assist some residents (based on a sliding income scale) with spay/neuter costs? If you or someone you know is interested in information on spay/neuter vouchers, please call Animal Services at (806) 775-2057.
