# IT HAPPENED AT MONTEREY

Spring sports . . . Prom . . . Graduation . . . Third Quarter was perhaps the busiest time of the year and would take an entire book to cover everything that happened. So, that's what we set out to do because we wanted to show you everything that went on Third Quarter at Monterey.

This quarter was a good quarter for assemblies. We were entertained by Damascus Road, a six-piece band from Dallas, and more locally, Morning Watch presented Crossroads as their Easter assembly. We also had some talented MHS students perform for us. NHS received our quarters for two Three Stooges films, while our own Jazz Ensembles, under the combined direction of Mr. Keith Bearden and Cindy Mikel, relieved us of our first period drowsiness. The Drama Department presented their one act contest play "Noah's Flood" to a capacity crowd. But the highlight of the assembly season was the all-school assembly which led us through 30 years of American Bandstand complete with lively dancers and the immortal Elvis. Yes, the assemblies were enjoyable as well as entertaining, but more than that, they proved to be more than just an excuse to get out of class.

# SPRINGTIME THAT'S RIGHT TIME

## STUDENT COUNCIL FIGHTS THE FEVER

Springtime brought with it the usual drag and laziness, but this year Student Council came back with a variety of activities. Student Exchange Day kicked things off with more students participating than ever before. We enjoyed getting to know students from the other schools, as well as learning something about the way that their schools are run.

Green was not only in the grass, but also in the shamrocks distributed on St. Patrick's Day. For a nickel, students were able to send messages to friends and teachers on the back of shamrocks made by the Student Council. Red, white and blue also made the scene as we celebrated our first bicentennial week. Each day something different was planned. Teachers dressed as their favorite character in history, the cafeteria was decorated and students wore red, white or blue as designated by their class.

Junior Olympics was another first at MHS this spring. We competed in the mummy wrap, the egg toss and the three-legged race. Others of us carried water in tablespoons and melted blocks of ice. We all took part in at least some of the springtime activities and that is what made this quarter a little more fun than it might have been.

# WE COULDN'T BELIEVE IT

Nervous, tense, waiting throughout the day for that one announcement. We sympathized with the candidates during the elections. "I voted for you", and "I know you got it!", rang in the ears of the candidates from student supporters. Speeches were made and candidates were introduced. Then at the end of the day the announcement came. There were tears — tears of joy and tears of sadness. After the announcement we realized that there were records broken at Monterey. For the first time, a girl was elected President to lead the first all-girl Executive Body. We couldn't believe it.

# Seniors end it

Oh boy — was it ever great to be a Senior this year! We had so much to do during our last year at Monterey, and as Seniors, there was so much to look forward to. When third quarter was suddenly upon us, Senior activities quickly began to fill our schedules. Kicking off activities was the traditional Senior Banquet held on April 8th at the Big Texan. With the theme "Do You Know Where You're Going?", this year's banquet boasted outstanding record attendance, and we were honored to have Senator Kent Hance as speaker.

Our next big Senior activity happened on May 7th when we celebrated Kid Day. With an agenda consisting of an early morning breakfast, a baby picture contest, a swim party, a dinner and a dance, Kid Day for Seniors was definitely a day to remember. Even though the attendance at the swim party was hampered by cold weather, novelty awards were still given to deserving Seniors. All in all, not only did these activities add fun and excitement to school routine, they brought the Senior Class of '76 closer than we'd ever been before. We had nearly made it through 12 years of school, and our big day was too close to believe — May 28th grew nearer and nearer . . . . .

## with a BANG!

# TWIRP WEEK

Originally intended as the exciting break in the everyday routine of the boy-ask-out-girl hum-drum, twirp week again surrounded fellow Plainsmen from the 14-20 of March. Traditionally standing for, The Woman Is Required to Pay, twirp week was instigated for the benefit of the girl to be with that dream boy for an evening. There were certain drawbacks for the lady however because the week's tabs must all be picked up by the female.

The event was co-sponsored by Y-Teens and the Student Council. Student Council did provide a helpful calendar with certain activities beneficial in providing for the entertainment of all the participants. The following six days included pizza, banana split parties, exercise and lots of fun. The topsy-turvey week was highlighted by a twirp dance held in the boys gym.

The week ended a success except for a few tired girls with empty pockets.

1 - AMAZED AT THE TURNOUT of the Twirp Week Dance, Junior Dan Levacy and LCHS student Tommi Reed take a break while waiting for the next song.

2 - TAKING ADVANTAGE of Marybeth Scioli's generosity, Senior Jody Hughes relaxes while Marybeth helps him take off his shoes in preparation for the dance.

## STAFF PAUSES TO DISTRIBUTE FIRST book

It always seems like a climax to the school year when yearbooks arrive. This year was no exception. When May 12th rolled around, yearbooks were distributed to the excitement of all. The Chaparral staff, however, had no time to sit and bask in the excitement. There was still another book to be put out. So while most people were busy signing yearbooks, we staffers were continuing to capture what was happening at Monterey in '76.

# THREE COMPETE IN STATE CONTEST

Every year in the spring, UIL (University Interscholastic League) gives Monterey an opportunity to see how we stack up against other schools of comparable size in the state. Competition is scheduled in literary and athletic events, and awards are presented in the first three places. Monterey sent 78 students who competed on the district level; 51 placed and advanced to regionals; and five went on to state. The areas of competition are Debate, Informative Speaking, Persuasive Speaking, Poetry Interpretation, Prose Reading and Shorthand. Oral Reading, Journalism, Spelling and Plain Writing, Number Sense, Slide Rule, Science, Typewriting, Choir and Band were also among the areas of competition. Athletic UIL competition included football, basketball, track, golf, tennis and swimming.

## clubs in ACTION

JETS (Junior Engineering Technical Society) is an organization for students who want to pursue careers in technical fields -- engineering, mathematics, science or medicine. It is a national organization sponsored by the professional engineering societies. There were about 45 members, mostly seniors. The club took several field

trips, including a trip to New Mexico during Spring Break. Officers were Arati Prabhakar, Joe Claborn, Steve Clarkson, Allen Litton and Mike Smith.

At White Sands, Melonie Burford watches as Paul Burford and Lance Cansino bury Scott Hennigar in the sand.

## clubs in ACTION

Among all the kids so anxious to graduate, there were several students determined to stay in school one way or another. This group called themselves Future Teachers of America, and pitched in to form the first FTA club Monterey has had since 1974.

Showing their appreciation for certain members of the faculty, the club polled different homerooms each month, and chose a teacher of the month. The club also sponsored a cupcake sale and a plant party. Officers for 1976 were JoAnn Ellis, president; Salina Sorrels, secretary; and Cindy Badgett, Treasurer.

SAVORING that first big bite, Lisa Payne enjoys an F.T.A. cupcake.

PTA, Parent-Teacher Association, honored teachers with a teacher appreciation day. They provided food in the committee room and gave each teacher an apple and scroll in appreciation of the fine work they do. But, there are other people in Monterey who deserve recognition, too. The maintenance people and the cafeteria workers do a good job. Without them, Monterey could not function.

# Who's behind the scenes?

There's something magic about Prom night. It's some sort of enchanting dreamworld which sparkles with glamour and excitement . . . . . supposedly. It's questionable whether Monterey's Prom fulfilled this description, yet for those attending, our Prom was enchanting enough. Held on May 8th in the Tech Ballroom, the prom was sponsored by the Junior Class, who named the theme "We've Only Just Begun". The band Freedom Express drew great approval from the prom crowd. This year for the first time, a Prom King was crowned in addition to the traditional crowning of Prom Queen. Tim Leslie and Shannon Young received the titles, yet at the end of the night, each person felt as though he had been named that special someone.

What is contest play? It's scenery, props, costumes, forgotten lines and nervous indigestion. But mostly, contest is the combined efforts of many talented people, producing a play they are proud of. On April 2, the curtain rose to reveal "Noah's Flood," a one-act play by Anne Malcomson. The cast included Sam Thompson, Lee Kirby, Scot Purkeypile, Stacy Lee Smith, Herb Newton, Robert McVay and Jeff Probasco. Also, Donna Rampsy, Vanessa Hill, Cindy Fanning, Paula Pierce, Lisa Harris and Betty Record. Sam Thompson, Stacy Lee Smith and Herb Newton were named all-star cast members. Lee Kirby received an honorable mention for his performance.

# JV TEAM ANTICIPATES STRONG FUTURE

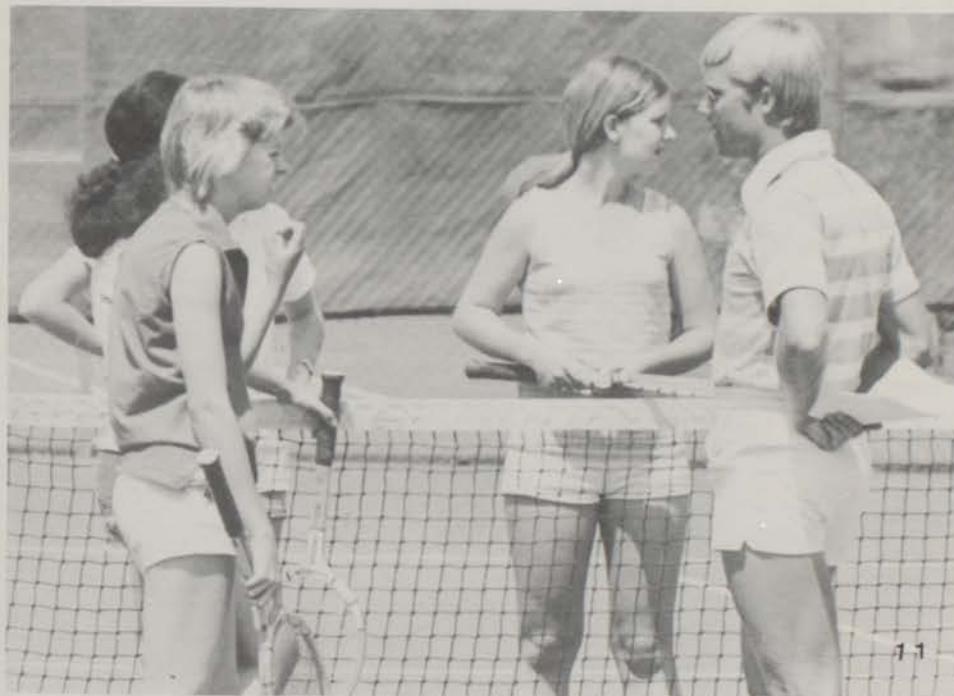

9

Dedication and school pride keep Monterey's Junior Varsity netters hard at work. While the varsity is defending the Plainsmen at tournaments, the J.V. is striving for perfection through daily drill work and dual matches. Coach Alton Setliff assists the players in developing better strokes and devising their strategy. For additional practice, the racketeers play junior high schools in dual meets and participate in the Highway 80 summer tournaments.

Only the top players qualify for the travelling team which makes hard work-outs mandatory. "Class and after school work-outs are necessary in becoming a varsity player." (Glenn Headlee)

# GOLFERS REACH REGIONAL CONTEST

The 1976 boys' golf team achieved something few sports achieved this year—a district championship. Although MHS led the district race all the way, Lubbock High and Plainview posed a menace throughout the district rounds. But the 'Men continued to fight and finally claimed their second straight title.

Coach Charles Brewer's team started off slowly, finishing tenth in the Midland tournament and third in the Lubbock Invitational affair. But they put things together in the first district round at Meadowbrook, opening a three-stroke lead over Plainview.

The Plainsmen shot 304 in the second district round at Hereford to vault into a five-stroke lead. In the third round at Plainview, however, the host Bulldogs fired a 301 to shave Monterey's lead to two shots.

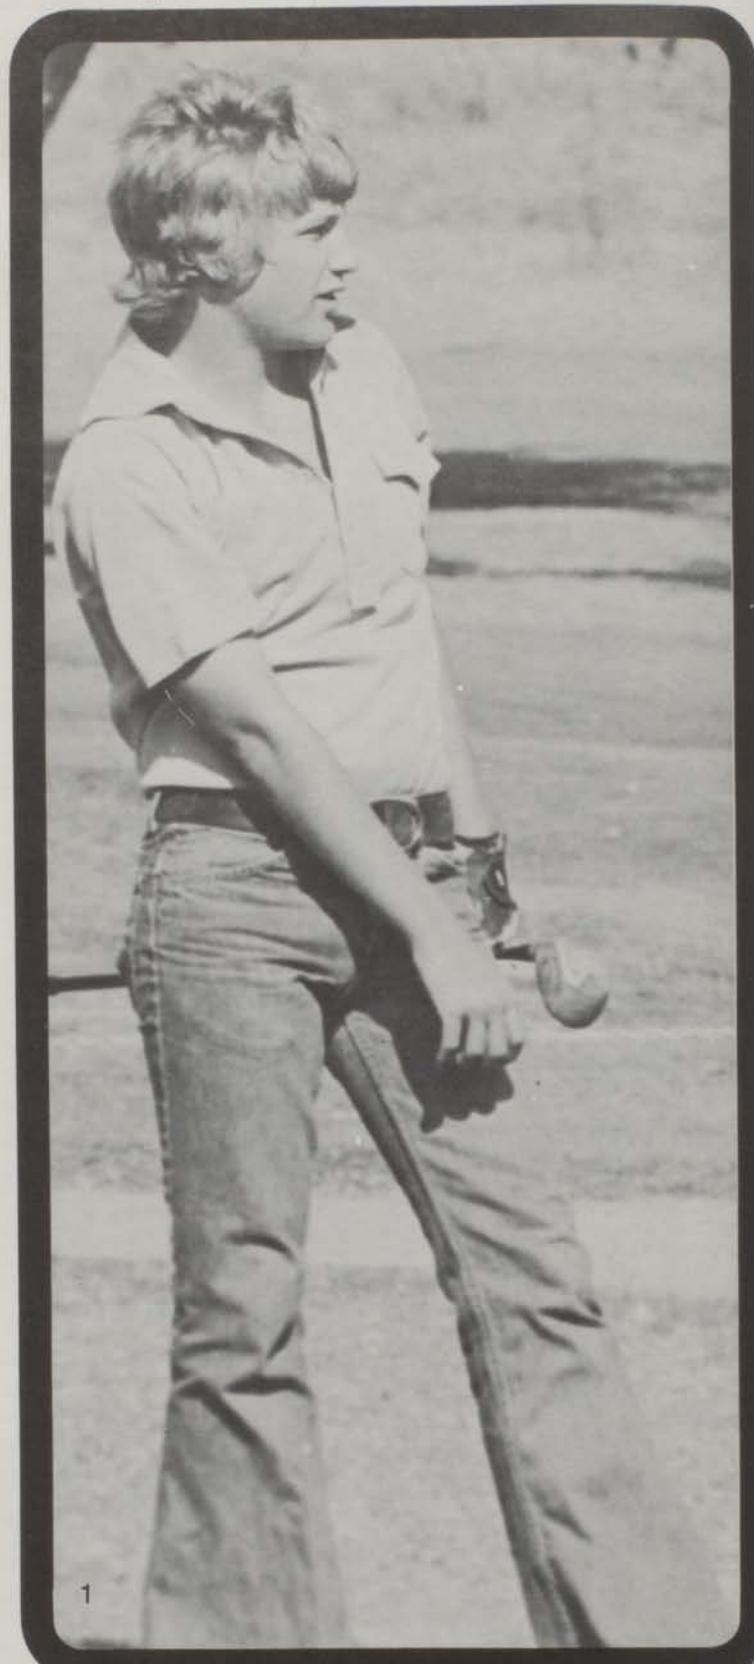

Round Four at Meadowbrook saw Lubbock High move into contention. The Westerners shot 296 for a total of 1243. But MHS had a 300 to hold the lead with a 1227 total as Plainview began to falter.

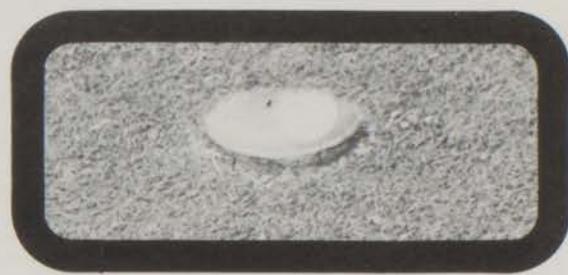

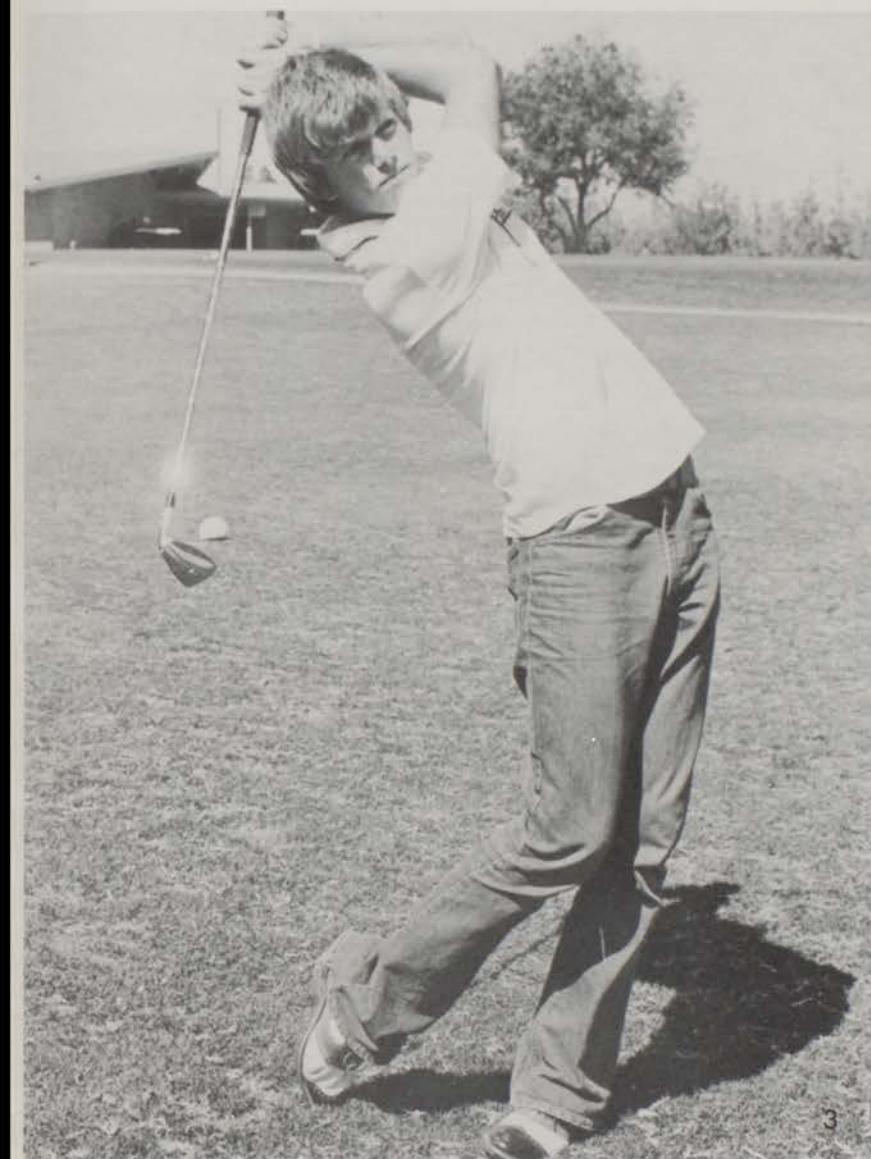

The 'Men took a break from district action to participate in the Amarillo Relays. Monterey won the tournament and Rex Robertson became the first Monterey golfer ever to win the tourney's medalist title.

MHS came in third in the fifth round at Plainview, shooting 326 to the Bulldogs' 314. However, the 'Men retained a twelve-shot lead with a 1553 total. Plainview and Lubbock High moved into a second-place tie at 1565.

The final district round was held at Hereford. Although LHS fired a 300, Monterey shot 306 to win the district championship with an 1859 team total. The Lubbock Westerners tallied 1865 for second place. Rex Robertson won his second consecutive district medalist title as he compiled a 442 through the district rounds.

The golfers came in fourth in the regional tournament and Kim Coulter led Monterey with a 149 total. But the team came home with an excellent season and a district championship, something that was hard to come by for Monterey athletics in 1975-76.

# Girls TEE off FIRST golf SEASON

Girl golfers entered their first season striving to obtain success, and that is just what they obtained — success. The linksters finished second in every district tourney enabling them to finish second in district. From district the girls went to regionals where they placed eighth.

Besides all that, the fems defeated Lubbock High

twice in a pair of dual meets. They also participated in the Plainview Invitational, the Amarillo Relays and the Midland Tourney. Coach Karen Cox voiced her opinion of the season when she said, "I'm real proud of them. They played very well for a first year team with little or no experience."

1- DISPLAYING A Smile Dayna Brookman seems pleased with her shot while Cathy Dodson looks on.

2- TOP ROW: Delano, Coach Karen Cox, Dodson, Brookman, BOTTOM ROW: Perry, Wood, Irwin, Brown, Stotts.

4- A MEMBER of the girls golf team begins to tee off.

5- CALLING IT a day, Dayna Brookman places her club in the proper place.

# CARTER QUALIFIES FOR STATE MEET

Tracksters entered their season hoping to clinch the district title. The first hurdle in obtaining their goal was the Brownfield Meet. There they captured fourth place. Next on the agenda was the Lubbock Invitational and the Abilene Relays where the 'Men placed second and third respectively.

The many hours of practice, sore muscles and long bus trips were worth it. The thinclads placed first in the Hobbs Invitational and third in the City Meet. The Three Way Meet against Plainview, Estacado and MHS was the last step before district. The tracksters won first place putting them in a good position for the district meet.

The day of the district meet finally arrived. After the clouds of dust around the track had cleared, the 'Men found themselves winning second place. Even though the 'Men lost District, they did advance Eddie Parker, Bruce Carter, Danny Shaver, Randy Yates, and the Mile relay team consisting of Danny Martinez, Joe Williams, David Yates and Randy Yates to Regionals. Bruce Carter qualified for State in shot put.

# Rookie Fems Capture District

For the first time this year girls were able to compete in Intercollegiate girls track. Plainswomen proved they could succeed in the world of track by capturing their first district trophy. The district fems entered five individuals: Debbie Cooper, Sheri Davis, Phylliss Hassell, Lee McAfee, Nancy Williams and a 440 relay team composed of Tammye Brown, Donna Copeland, Mindy Dunn and Hassell in regional competition. They also entered the 880 relay team of Marilyn Beckner, Copeland, Dunn, McAfee and the mile relay unit of Dunn, Copeland, McAfee and Dana Stockton.

The girls practiced nearly every day after school for at least three hours. The many hours of practice paid off for the fems with first place wins in the Hereford Invitational and the Lovington Invitational. The girls also cropped third place in the Plainview Invitational and fourth place in the Monterey Invitational.

# SWIMMERS SPLASH INTO REGIONALS

Reaching for the heights, Carol Gilliam was the only Lubbock swimmer who qualified for the state meet held in Austin. Up against tough competition, Gilliam captured eighth place in the 100 butterfly.

Joe Rapier was the only Monterey boy to make the finals in the regional meet held in Odessa March 6. Rapier finished sixth in the 200 free style while Brad Straub placed seventh in the 100 back, just barely missing the finals.

Carol Gilliam captured second in the 100 butterfly and Sarah Jones took fourth in the 500 freestyle and fifth in the 200 free style. Kay Ragus grabbed a fourth in the 100 breast stroke.

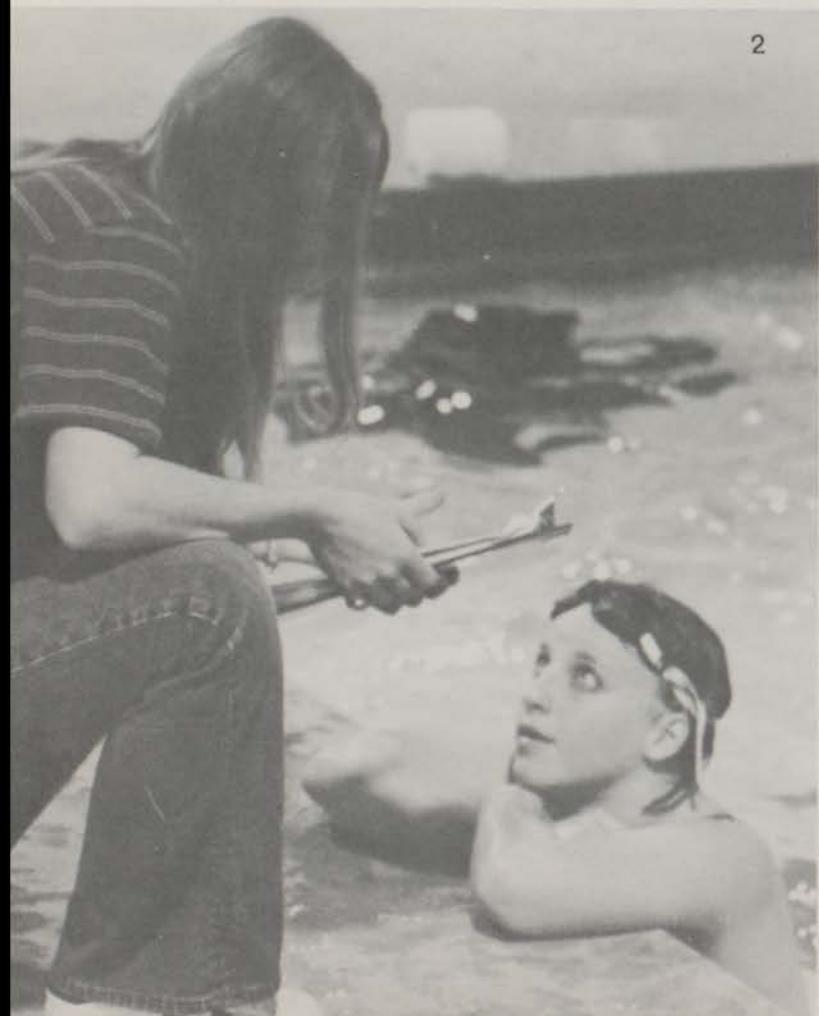

Both the girls 200 medley relay of Jones, Gilliam, Ragus and Connie Calvert and the boys 400 medley relay of Rapier, Strub, Allen McNally and Travis Simpson placed sixth.

# POWER Junior VARSITY

J.V. bats rang out in the season opener as the Junior Varsity baseballers downed Coronado 32-1. After splitting with Midland Lee, the sackers again beat Coronado 20-1. In two close games, the J.V. diamondmen defeated Lubbock High 6-5 and then fell to the Westerners 9-8. They went on to win the Lubbock Invitational Tournament by sweeping three games — beating Snyder 11-0, Lubbock High 2-0 and Coronado 14-0. They finished their season with a 12-2 record after four consecutive wins, including an unbelievable 64-0 romp over Snyder.

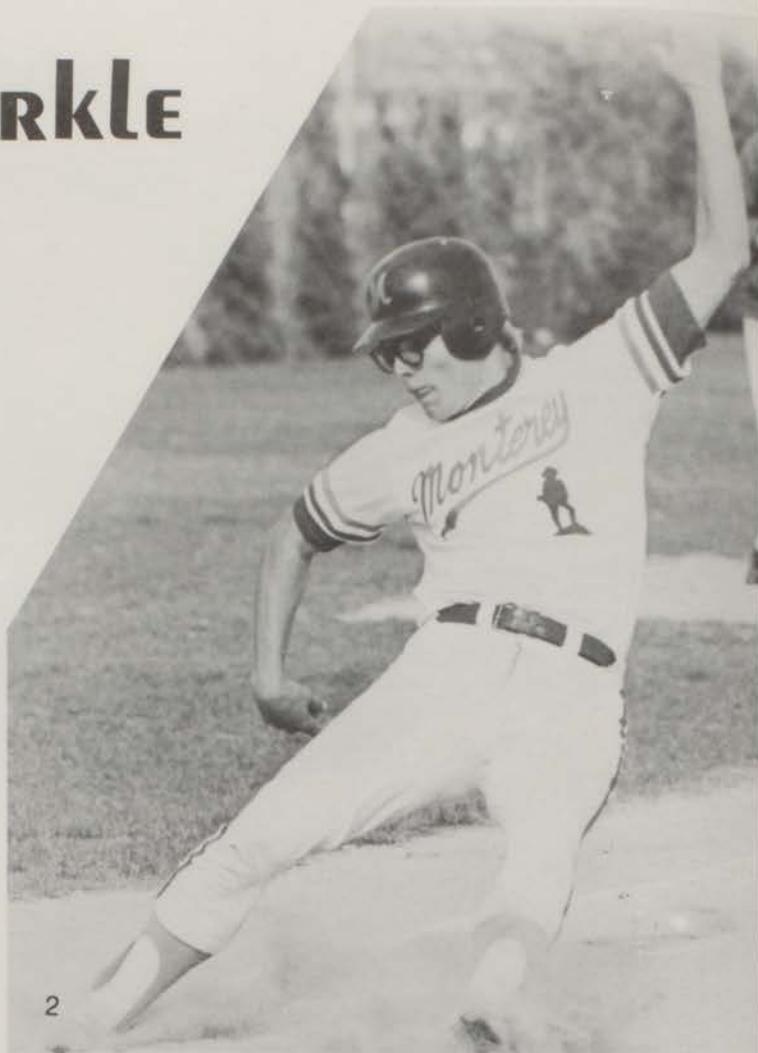

# DIAMOND MEN SPARKLE IN PREDISTRICT

Moeglemen started a quest for their third state title in five years with a 9-4 victory over Odessa High. Permian then came into town and the other Odessa school departed with 7-0 and 7-2 losses. MHS gave Odessa High another setback dropping them 8-1. The baseballers went to Midland for the Tournament of Champions. They beat Midland Lee 14-3, dumped defending AAAA state champs Duncanville 5-3, and defeated Midland High 12-0. But the Plainsmen suffered their first setback of the season in the last game of the tournament as New Mexico state AAA champion Alamogordo used the ten-run rule against the 'Men for a 14-4 win.

At this point Coach Moegle switched players to different positions in hopes of coming up with a more competitive combination. The sackers beat Midland Lee 4-2 and Abilene Cooper 9-0. But Big Spring found the key to the new Plainsman setup and scored a 14-6 win in the first game of a doubleheader. The 'Men won the second game 9-5.

The club hit the road for games against Snyder and Midland and came back with 6-4 and 7-5 wins. The Plainsmen closed out the predistrict campaign with a 14-2 record as they scored identical 3-2 victories over Snyder and El Paso Irvin.

# DISTRICT: just OUT OF REACH

Baseballers began their district campaign as an overwhelming favorite to win their tenth straight district title, but in the end the team followed a pattern set by other sports and were edged out by Lubbock High for the championship.

The Moeglemen opened the first half by overwhelming Coronado 4-0 and 17-2 and downing Hereford 7-2 and 7-4. But the Plainsman balloon was deflated by LHS, who stopped Monterey by identical 5-4 scores and clinched the first half crown. MHS wound up first half play with a 6-2 slate by defeating Plainview 2-1 and 12-1.

Hopes of a championship seemed dark going into the second half of district, but the 'Men got the ball rolling by whipping Coronado again, this time by scores of 4-2 and 9-2. MHS followed with a startling split with Hereford. The Whitefaces won the first game 9-7, and Monterey took the second 7-5. But despite the loss, the Moeglemen assumed the second half lead with 5-2 and 6-5 triumphs over Lubbock High. The club then split with Plainview, losing the first game 3-2 but winning the nightcap 5-4. Coronado downed LHS twice and split with Plainview to enable Monterey to win the second half title with a 6-2 mark.

By winning the second half, the Plainsmen forced a one-game playoff with Lubbock High for the district championship. The Westerners opened a 4-0 lead as the game progressed, but in the seventh MHS loaded the bases with one out. Lubbock High's pitcher was equal to the challenge, however, and sealed Lubbock's first district title since 1966. Monterey finished the season with a 26-7 record.

- 5 - GETTING READY, Mark Morgan waits for the next play.
- 6 - PREPARING TO tag up, Mike Gayler knows he is safe.

No matter what the activities are, it will never happen again at Monterey the way it happened this year. Each year is unique and special because the people here are unique and special. Each of us can be a part of another special year at another time and another place, but together we can never make it happen again at Monterey.

WILL IT EVER

WHAT HAPPENED AGAIN?
