(a) Pursuant to Section 3.009 of the Code: (i) the proposition language that will appear on the ballot is set forth in Section 3 of this Ordinance, (ii) the purposes for which the bonds are to be authorized are set forth in Section 2 of this Ordinance, (iii) the principal amount of bonds to be authorized is set forth in Section 2 of this Ordinance, (iv) if the issuance of bonds is authorized by voters, taxes sufficient, within the limits prescribed by law, to pay the principal of and interest on the bonds may be imposed, as set forth in Section 2 of this Ordinance, (v) bonds authorized pursuant to this Ordinance may be issued to mature over a specified number of years (not to exceed the lesser of forty (40) years from the date of issuance or the maximum number of years authorized by law) and bearing interest at the rate or rates (not to exceed 15%), as authorized by law and determined by the City Council, (vi) as of the date of the adoption of this Ordinance, the aggregate amount of outstanding principal of the City's debt obligations is \$267,061,764.00 and the aggregate amount of outstanding interest on the City's debt obligations is \$95,064,577.53 and (vii) the City's ad valorem debt service tax rate as of the date of adoption of this Ordinance is \$0.109783 per \$100 of taxable property. Section 13. Projects to be Funded. The proceeds of bonds authorized in accordance with this Ordinance shall be used to pay costs related to, and (as used in the Proposition) “street improvements” shall be deemed to comprise, the street improvement projects identified in **Exhibit C** to this Ordinance; provided that, if such projects have been completed or adequate provision has been made for the payment of all costs of such projects, any remaining proceeds of such bonds may be used for other street improvement projects not identified in **Exhibit C**, to the extent determined by the City Council or the City Manager to be similar to the street improvement projects identified in **Exhibit C**. The City Manger’s determination that any project has been completed or that adequate provision has been made for the payment of all costs of such project shall be conclusive.

Section 14. Severability. If for any reason any section, paragraph, subdivision, clause, phrase, word, or provision of this Ordinance shall be held invalid or unconstitutional by final judgment of a court of competent jurisdiction, it shall not affect any other section, paragraph, subdivision, clause, phrase, word, or provision of this Ordinance, for it is the definite intent of the City Council that every section, paragraph, subdivision, clause, phrase, work, or provision hereof be given full force and effect for its purpose.
